

# YOU ARE INVITED TO OUR SINGAPORE CELEBRATION

Hosted by Peter Hyland,  
Regional Director, Cistri

After more than two years since we formally established in Singapore, thanks to the support of people like yourself, Cistri has grown significantly in numbers, won prestigious projects and merged with leading urban development and economics consultancy, Water Economics Hong Kong.

We would like you to join us to celebrate this success, to say thank you to friends like yourself, and to look forward to an exciting future shaping cities and comments in Asia.

We do hope you can join us for this inaugural Cistri Singapore Celebration.

Regards,
